Call to Young Scientists to Submit Abstracts for Oral Presentations

1. Introduction

The Academy of Science of South Africa (ASSAf), the World Academy of Sciences (TWAS) -Twas Young Affiliate Network (TYAN), the South African Young Academy of Science (SAYAS), Sub-Saharan African Network for TB/HIV Research Excellence (SANTHE) and the World Academy of Sciences Sub-Saharan Africa Regional Partner (TWAS-SAREP) will be hosting an Infectious Diseases Symposium from **27 to 28 May 2019** in Durban, South Africa.

The theme of the symposium on 'ONE HEALTH: A focus on Infectious Diseases in Africa' seeks to increase knowledge and build capacity in infectious disease research amongst early career researchers in the Africa region. The main aim of convening this symposium from a One Health stance stems from the growing global threats of epidemics and the need for realisation of a collective sense of responsibility towards a proactive public health regime.

ASSAf is seeking young scientists from Africa to participate in this symposium.
